Timbres Empire non-dentelés

Carmen "Vermillonné" (1857)

Losange petit chiffre avec timbre à date au type 15 de Paris à Verdun.
Nuance du début du tirage (appelé vermillon).

Petit Chiffre 2232 Nay (B. P) avec timbre à date au type 15 (23 juin 1853) de Nay à Oloron St Marie. Utilisation tardive du losange petit chiffre. C'est en 1862 que fut instauré l'usage du gros chiffre.

Une mention spéciale est à accorder au début du 4^e tirage de 1857, qui donna jour au carmin clair vif. A cette époque, on venait de terminer le 40c, par erreur on versa une quantité de l'encre maladroite du 40c dans celle préparée pour le 30c, le résultat fut le "Vermillonné".

David Feldman Special Extended Payment Facility

David Feldman S.A. (**DF**) may offer a special extended payment facility for buyers. In these cases, the buyer may choose to pay a minimum of 25% of the total invoice on receipt, and the balance over an extended period of 6 months, paying an equal installment at the end of each month. Interest plus charges of 1%, is debited to the buyer's account at the end of each month. When the special extended payment facility has been granted, the buyer understands that any claims regarding his purchases must be made within 30 days of the auction sale date, even though the lots may be held by **DF** awaiting full settlement of the account. Until delivery, lots may be examined by their respective buyers at the offices of **DF**.

HAITI SPECIALISED

The following lots comprise the lifetime collection of a distinguished American philatelist. Nearly all are mounted exhibition-style, with the vast majority housed on deluxe quadrille pages in Elbe "President" albums. The highlights of each lot will be described, and we offer complete scans of each lot on request by e-mail. Please note that nearly the entire array of American Banknote Co. archive material is present here, as are similar items from other printers. For nearly every issue, mint and used stamps, often in blocks, are joined by a variety of covers.

The first few lots, offered immediately below, form the gold-medal winning exhibit collection of Haiti Pre-Adhesive Postal History, each portion offered intact, and with several additional items added since last shown.
